Okusi Radol'ce

Taste Radol'ca

**Okusite dobrote radolških gostišč,
kjer se združijo pristna domača
hrana, lokalne sestavine in vrhunska
priprava!**

Kulinarična ponudba Radovljice in njene okolice od nekdaj velja za kakovostno in pristno. V Radovljici jo soustvarjajo gostišča z večstoletnimi tradicijami in sodobne restavracije. V zelenem okolju sončnih dobrav in dežele pa nastajajo zdravi proizvodi, ki jih spremni kuhanji povežejo v izjemne jedi za vse okuse.

Taste the delights of Radovljica's restaurants where real homemade food is prepared using local ingredients and with the finest quality preparation.

The range of cuisine on offer in Radovljica and the surroundings has long been known for its quality and authenticity. In Radovljica restaurants and inns with several hundred years of tradition go hand-in-hand with modern restaurants. Healthy products, which originate from the green surroundings of the sunny woodlands and countryside, are transformed into exceptional dishes for all tastes by talented chefs.

V Okuse Radol'ce smo združena gostišča, ki ponujamo jedi, značilne za Radovljico in Gorenjsko, ter pri pripravi uporabljamo lokalno pridelane surovine. Prepozname nas po napisu na vhodu, lokalne jedi pa imamo v jedilnih listih označene s stilizirano radolško čebelico.

Navdih za jedi črpamo iz okolja, kjer smo zrasli in se oblikovali. Nekateri med nami ostajajo zavezani tradiciji, medtem ko vas drugi navdušujemo z novimi jedmi in posebnimi okusi.

Gostinci Okusov Radol'ce se zavedamo, da je le lokalno pridelana hrana dovolj dobra za naše goste. Zato sodelujemo z domačimi dobavitelji in skupaj z njimi ustvarjamo uspešne zgodbe.

Taste Radol'ca unites restaurants and inns which offer dishes that are characteristic of Radovljica and the Gorenjska region, and are prepared using locally produced raw materials. Taste Radol'ca restaurants can be recognised by a sign at the restaurant entrance, and local dishes are marked in menus with a Radovljica bee logo. The inspiration for these dishes comes from the environment where the restaurateurs grew up and took shape. Some among them are keen followers of tradition, whilst others inspire with new dishes and special flavours. The restaurateurs of Taste Radol'ca strive to ensure that locally produced food is of the best quality for guests. Therefore, co-operation with local suppliers is key and, together, stories of success are created.

Ker Okusi Radol'ce verjamemo v kakovost naših storitev a se kljub temu ves čas trudimo da smo boljši, smo medse povabili znana kulinarična kritika Violeto in Uroša Mencingerja. Spomladи 2017 sta nenačakano obiskala naše restavracije in jih ocenila.

»Ni enostavno toliko pojesti..., v kar dvanajstih gostilnah in restavracijah. A bilo je dobro in zato prijetno! Radol'ca je že najlepši slovenski trg, zdaj pa je še na (dobri) poti, da postane prepoznavna in zaželena kulinarična destinacija. Zato, ker ima gostilniško pestrost, od vrhunskih restavracij za zahtevne in radovedne, do domačih, družinskih, tradicionalnih, slovenskih gostiln tako za dobre jedce kot dobrojedce,« sta ob zaključku ocenjevanja povedala zakonca Mencinger.

Ker so gostom najbolj poznavni sončki, ki jih tedensko podeljujeta slovenskim in tujim gostilnam v Nedelu od leta 2008, sta tudi v Radol'ci uporabila ocene od 1 do 6.

Prisrčno vabljeni na okušanje naše raznolikosti in pristnosti!

Taste Radol'ca restaurants believe in the quality of their services. Nevertheless, they strive to be even better and therefore invited the renowned restaurant critics Violeta and Uroš Mencinger to join them. In spring 2017 the couple visited our restaurants, unannounced, and evaluated them.

"It's not all that simple to eat that much..., in twelve restaurants. But it was good and therefore enjoyable! Radol'ca already has the most beautiful square in Slovenia, now it is well on the way to becoming a renowned and desirable culinary destination known for its variety – from top restaurants for the discerning and curious, to local, family, and traditional Slovenian restaurants for those who love eating and lovers of fine food." said the Mencingers at the end of their evaluation of Taste Radol'ca restaurants.

Since guests are most familiar with the 'sun' ratings that the Mencingers have been using to rate Slovenian and foreign restaurants in the newspaper Nedelo, they used a score of 1-6 to evaluate Taste Radol'ca restaurants.

You are cordially welcome to taste our diversity and authenticity!

Roast the peppers on the grill then peel them and remove the seeds. Prepare the filling using the curd cheese, white cheese, kajmak and cured ham. Add a little pepper to taste (salt is not required as the mixture is already salty). Fill the peppers, taking care not to overfill them to ensure that they don't burst during frying.
